The
Leader in Me[™]

Health and Safety

We will continue to follow the guidance of governing officials and our district regarding visitors, student movement within building, and access to classrooms. Please be patient with health and safety protocols.

Lunch Visitors

Visitors are not allowed until further notice to help reduce risk of contact. *When the decision has been made to allow lunch visitors, special guests, and volunteers, we will let all parents know.* We appreciate your support with this temporary change in our procedures.

Attendance

*Please do not send your child to school until they have been **fever-free without medication for 48 hours.*** If your child is absent, please send a note within 48 hours of their return to school. If a doctor's excuse is unavailable, parents should write their own letter. Students arriving after 8:15 are counted tardy unless they have a doctor's excuse.

Parents, please escort your student to the front foyer if they are late.

Recess

Students may attend outside recess with parent permission on file, or may remain inside for desk-activities.

Safety Practices

Students will have scheduled hand-washing times throughout the day, in addition to hand sanitizer, social distancing, and masks in accordance to the Governor's guidelines. Parents will be contacted in the event that their child may have come in close contact with a Covid-positive individual.

Change of Transportation

Change of transportation must include the student and teacher name. Email the change to lonestartransit@misd.org Please submit changes by 2 pm so we can honor your request.

Hug & Kiss Goodbye

Parents may walk their children to the front door each morning. Please say your goodbyes without entering the school. *Your children will walk to class on their own, under our staff's supervision.*

Walk Up Dismissal

Walk Up Dismissal has been eliminated until further notice so that we can avoid crowds and continue to follow social distancing guidelines. Please be patient in our car rider lines, and **stay in your vehicle.**

Stay Informed

Parents should receive The Stampede, an electronic newsletter, from Dr. Bartlett each week via email. If you do not get these, please touch base with her at Catherine.Bartlett@misd.org Previous newsletters can be found on our LSE website.

We are honored to be a part of the Franklin Covey Organization's **The Leader in Me** program! Our students learn and practice *7 Happy Habits of Highly Effective People*:

1. **Be Proactive.** You are in charge of your actions.
2. **Begin with the End in Mind.** Have a plan.
3. **Put First Things First.** Work, then play.
4. **Think Win-Win.** Look for a way for everyone to win.
5. **Seek First to Understand, Then to Be Understood.** Listen, then talk.
6. **Synergize.** Work together.
7. **Sharpen the Saw.** Take care of your mind, body, and soul.

LONE STAR ELEMENTARY

Stay Involved

PTA meetings will be posted so that parents can attend electronically or in-person, depending on the time and location. Parents support our school by their actions here, at home, and through positive words. We appreciate your partnership! The PTA website is www.lsepta.com

2020-2021

Instructional Gardens

The gardens at the front of our campus are not landscaping. We have several different outside learning areas for our students, including herb, rose, bluebonnet, sunflower, vegetable, and butterfly gardens! Our students have hands-on science lessons directly related to their grade level curriculum throughout the year by Master Gardeners from Ready to Grow Gardens. Students will be able to use social distancing guidelines during this outside instruction.

Birthdays!

Every child will choose a book from our PTA for their birthday at the end of each month. We are so excited to give the gift of reading to our students! We also have our students join us for the morning announcements & Pledge of Allegiance on their special day. Summer and weekend birthdays will be recognized as well, and everyone will receive a small prize.

Please do not send class treats to celebrate your child's birthday as we have students with allergies and other nutritional concerns. Your child's teacher will help you with a class directory or group email so that you can send invitations as needed instead of passing them out at school. We do not deliver flowers, balloons, or other celebratory items to students.

Tribe Days

Although we are temporarily unable to have our students in school-wide assemblies, we will continue to teach common themes and teamwork on our scheduled Tribe Days so that our students are prepared for collaboration once we can resume activities. Parents will be notified of these special days (about 6 per year), so that children can arrive to school in their Tribe shirt. During this school year, students will remain with their homerooms until we are able to transition into larger groups. We will resume vertical Tribes, with students interacting across grade levels, under the guidance of health and safety protocols.

Goals of Tribes:

Students will work collaboratively and respectfully with all age groups.

- Students will be familiar with teachers of other grades.
- Common verbiage & lessons will be used throughout the campus for The Leader in Me.
- Leadership skills will be learned and applied through both planned and natural opportunities.
- Teachers will cooperatively plan activities for their tribe.
- Relationships between staff/staff, students/students, and students/staff will strengthen.
- Positive culture will continue on non-Tribe days!

Longhorn Habits & Rules:

Be Proactive: *Accept responsibility and make good choices.*

Begin with the End in Mind: *Complete & return assignments*

Put First Things First: *Use time & materials wisely.*

Think Win-Win: *Respect classmates & property.*

Seek First to Understand, Then to Be Understood: *Listen & speak appropriately.*

Synergize: *Work well with others & participate in class.*

Sharpen the Saw: *Have a great attitude!*

Voice Levels at Lone Star:

0 = No voices

1 = Whisper

2 = Table Talk

3 = Strong Speaker

4 = Outside Fun
